# LIGHTING SOLUTIONS FOR HIGH PERFORMANCE

**SCANGRIP is part of Hultafors Group** - a global company offering a unique portfolio of premium brands within personal protection, tools, and other equipment for discerning craftsmen. Together, we are on a mission to create a better day for professional users.

## Work lights of the future

The sophisticated SCANGRIP work lights are second-to-none and made for the real professional who needs the best tool he can get for the task. The selected product line-up covers various kinds of work light solutions with superior quality across the entire range. These are lights made for work and built to last.

## Latest technologies for best performance

SCANGRIP constantly push back the boundaries of LED lighting and battery technology, creating new cutting-edge work lights. We always reach for that

extra brightness, that extra operation time, those little touches that make a real difference when you need the best work light you can get. We guarantee to provide you with only premium products for optimal performance.

## Extreme durability and functional design

SCANGRIP work lights are extremely durable and made to last and do the job again and again. The entire product line is sturdy and endures the really demanding working environment which expose both the professional worker and his tools to rough, wet, and dirty conditions. The lights are covered by a high IP protection level to resist even outdoor use in all kinds of weather.
